

When someone is unhappy
And you want to be near

A YELLOW BOX OF SUNSHINE

In their mailbox, may appear!

This box is sunny,
It's yellow, it's bright!
It's meant to be happy
And bring you delight!

I hope in opening it
You can't help but smile.
And put away the cloudiness
for just for a little while.

So pick up your chin
And dig into this fun
As your cloudy days
Are about to be done!
